

CHESTERFIELD
EDUCATION FOUNDATION

EQUITY • OPPORTUNITY • COMMUNITY

2023-2024 IMPACT REPORT

Chesterfield Education Foundation is privileged to support CCPS educators and students through programs focused on equity and opportunity. Through philanthropy, we invite community members to join us with gifts of their time, talent, or treasure, as so many of you have done this year.

Since 1989, the Chesterfield Education Foundation (CEF) has partnered with Chesterfield County Public Schools (CCPS) to ensure its educators and more than 64,000 students have access to resources and opportunities necessary for successful teaching and learning. School and division needs have long exceeded available tax dollars, and parent-led fundraisers can perpetuate economic inequality. As a result of our work and through the generosity of donors, hundreds of thousands of philanthropic dollars reach classrooms every year, impacting student outcomes and educator engagement throughout the county.

Our overarching goal in everything we pilot, scale, or make possible through fundraising is to give every student and educator in our public schools the tools and supportive environment they need to thrive. The past few years have shown us that we cannot take their wellbeing for granted. Through collaboration with the YMCA, Communities In Schools - Chesterfield, CCPS Family & Community Engagement, Read to Them, community members, and others CEF can continue to make a lasting difference in the lives of Chesterfield's young people.

CEF operates with the core pillars of Equity, Opportunity, and Community - underscored by a vision of excellence and wellbeing in every school, regardless of zip code. Every child deserves a world-class education. To that end, CEF raises money and invests it back into core programs: Innovation Grants for teachers, scholarships for graduating seniors, literacy initiatives in every school, the Mirror Me teacher diversity program, Career & Technical Education expansion, wraparound supports for the Chesterfield Recovery Academy and other students dealing with trauma, and access to early childhood education at Chester Early Childhood Learning Academy (CECLA). We are removing barriers and equipping more students and teachers with what they need to succeed.

Thank you to all the donors, sponsors, and volunteers who support this work. Most of CEF's efforts take place behind the scenes: delivering lunches to school staff, providing books for children to take home, awarding classroom mini-grants to teachers, and covering expenses for field trips when students might otherwise be left out. We continually find new ways to invest in our schools and remove barriers for students. CEF does things like this every week because we know that every child deserves access to a world-class education, and every teacher deserves to be supported in making that happen.

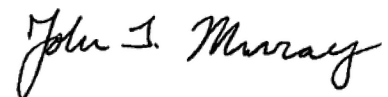

On behalf of the Chesterfield Education Foundation, thank you for another incredible year in which we witnessed the power of philanthropy together.

Matthew Clarke, Board President

Laura Hite, Executive Director

Dr. John T. Murray, Superintendent

OUR MISSION

is to provide equitable educational opportunities and increase classroom innovation for Chesterfield County Public Schools' students.

I joined the Board of CEF so that I could help support our PreK-12 students, teachers and communities. Education is the most important investment we can make in our future, and ensuring support for our schools is critical. CEF staff and supporters are united in this effort. Programs like grants, scholarships and events help keep our community engaged in the success of these diverse and innovative schools across Chesterfield.

LAUREN POSEY, CEF BOARD MEMBER

OUR VISION

is that all Chesterfield County Public Schools' students are prepared to succeed.

BRAVO! AWARDS

BRAVO! AWARDS

This year, the Chesterfield Education Foundation celebrated **15** years of recognizing outstanding Chesterfield County Public School alumni. This milestone highlights the remarkable achievements of former students who have gone on to become inspiring community leaders. The honorees visit their respective alma mater to meet with current students and serve as role models. In addition, we raised over **\$95,000** in unrestricted funding to support our work. These funds enable us to respond to emerging needs and invest in innovative programs that benefit students, educators, and schools across Chesterfield.

2024 BRAVO HONOREES:

- Kelly King Horne**-1987-Monacan High School
- Bill Butler**-1971-Thomas Dale High School
- Brian McCann**-1994-Midlothian High School
- Victor McKenzie**-2010-Meadowbrook High School

"When my father finished his 20-year service with the Navy, my parents were looking for a community with strong schools and diverse neighborhoods. We moved to Chesterfield County, and I am a proud graduate of Monacan HS (Class of 1987.) Now, I live in the same neighborhood where I grew up in, and both of our daughters are Monacan HS graduates (or soon-to-be graduates!). What I have loved about my and our daughter's education has been the sense of community and the expansive and inclusive approach to education. CCPS benefits from truly dedicated and committed teachers and staff. CEF concretely supports students, CCPS teachers, and staff through their programs. This supportive community, cultivated by CEF, makes our community richer and makes it possible for so many students and families to find their passions."

Kelly King Horne, BRAVO! Honoree

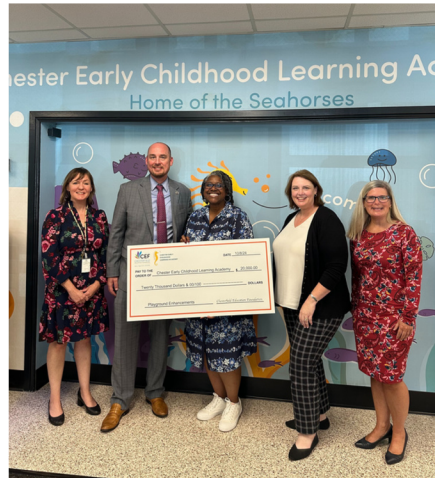

OVER
35,000
BOOKS

LITERACY PROGRAM GROWTH

This year, the Chesterfield Education Foundation supported over **43** schools, to expand literacy programs across the district. Every elementary school received **\$2,000** to enhance their literacy initiatives, ensuring students have access to engaging and diverse reading materials. Additionally, targeted support included **\$6,000** to Salem Church Middle School for a new book vending machine, designed to reward students with books and encourage independent reading. Elizabeth Scott Elementary School was awarded **\$4,000** to expand their bilingual classrooms, fostering a love for reading in Spanish and English. In July 2024, we co-hosted El Librotazo, a community event that provided free books in multiple languages to over **2,000 families**, celebrating the joy of reading and supporting multilingual learners.

CCPS EARLY EDUCATION SUPPORT

The Chesterfield Education Foundation proudly supported **376 students** at CECLA, helping them exceed state standards for Kindergarten readiness through targeted initiatives and resources. To ensure all young learners had the tools to succeed, we provided backpacks and kindergarten supplies to the **340 students**, moving on to kindergarten and promoting readiness. Additionally, we funded the installation of sunshades on the playgrounds at CECLA, creating a safe and inclusive space where children of all physical abilities can play and thrive. These efforts reflect our commitment to fostering early childhood development and creating accessible, enriching environments for all students.

INNOVATION GRANTS

This year, the Chesterfield Education Foundation awarded **15 Innovation Grants**, totaling **\$57,057**, to educators at **13** schools, fostering creativity and impactful learning experiences in classrooms across the district. These grants supported initiatives in literacy, math, art therapy, music, STEAM, special education, leadership, and more, reflecting our commitment to addressing diverse educational needs. Additionally, we continued our support for M.A.D.E. and Communities in Schools, empowering students with the tools and resources they need to succeed academically and personally. Through these efforts, we are driving innovation and creating opportunities for all learners.

JENNIFER SIMPSON-WINTERPOCK ELEMENTARY SCHOOL

Full STEAM Ahead: Winterpock Grows with Ipads and Osmos

"It has been like Christmas morning in the Steam Lab at Winterpock Elementary. Students have been exposed to the new OSMO kits. Students are having authentic and captivating experiences that will hopefully spark their interests in STEAM and future endeavors."

-Jennifer Simpson, Winterpock Elementary School

CHRISTEN TULLI-JAMES RIVER HIGH SCHOOL

Bridging the Language Differential through Literacy, Laughter, and LEGOS!

"A huge thank you to CEF for supporting our library's project! We had our "grand opening" for our Spanish section and Lego Corner, which we were able to create with the allotted Innovation Grant, in early November 2024, and it has been an engaging, lively part of our library ever since!"

Christen Tilli-James River High School

MAKING AN IMPACT

M.A.D.E PROGRAM

The Chesterfield Education Foundation provided **\$20,000 in annual funding** to supplement the coordinator's budget for M.A.D.E. (Meadowbrook Academy for Developing Entrepreneurs), ensuring the program's continued success. This support covers DECA membership dues, professional development opportunities, field trips, student conferences, and retail kiosks for selling M.A.D.E. goods, among other program needs. By investing in these resources, we are empowering students to develop leadership skills, gain real-world business experience, and achieve personal and professional growth.

CAREER AND TECHNICAL EDUCATION

This year, the Chesterfield Education Foundation raised **\$500,000** to support Career and Technical Education (CTE) for the expansion of the Veterinary Science program at Monacan High School. This funding empowers students with hands-on learning opportunities and prepares them for future careers in high-demand fields. Additionally, we supported the annual CCPS College and Career Fair, providing students with valuable resources and connections to explore higher education and career pathways. Through these efforts, we are equipping students with the skills, experiences, and guidance they need to succeed in their future endeavors.

CHESTERFIELD RECOVERY ACADEMY

During the '23-'24 school year, the Chesterfield Education Foundation proudly supported **23 students** at the Chesterfield Recovery Academy, a program dedicated to helping students overcome substance abuse challenges and achieve academic success. Twelve seniors graduated, reaching an impressive **100% graduation rate**. This milestone reflects the students' resilience and the transformative impact of providing targeted support and resources to foster their growth and success.

16
PROGRAMS
SUPPORTED

FUTURE SCHOLARS

MIRROR ME

This past year, CEF continued to support the Mirror Me teacher diversity program with stipends for **12** college students, **five** high school students, and **15** teacher mentors. We also provided resources for meetings and enrichment events for these deserving students and faculty, who receive support through mentoring programs and financial incentives throughout their undergraduate experience. Upon graduation, each participant will be guaranteed a teaching contract with Chesterfield County Public Schools.

SCHOLARSHIPS

In 2024, the Chesterfield Education Foundation awarded **16** scholarships to support students in pursuing their educational dreams, all thanks to our scholarship donors. Building on this momentum, we are excited to expand this impact by simplifying the application process and adding new opportunities in 2025 with a total of 21 scholarships in the new year.

PROGRAM EXPANSION

This year, the Chesterfield Education Foundation made significant strides in supporting students, teachers, and schools through a variety of targeted initiatives and new opportunities:

- Spanish library book expansion at James River High School
- Funding for the Robotics Team at Watkins Elementary
- **\$10,000** in new Teacher Mini-Grants, thanks to the Cameron Foundation
- Staff Appreciation resources
- Emergency Response Fund addressing urgent needs for students and families
- Field trip assistance for ESL classes and for students in need
- Funding and appreciation events for Participate teacher exchange program
- Teacher of the Year Awards to appreciate CCPS educators
- All-County Awards to recognize student excellence

These efforts highlight CEF's commitment to empowering educators, fostering student success, and enriching the Chesterfield County Public Schools community by filling the gaps and stepping in to help wherever we can.

21ST CENTURY GRANTS

In 2023 - 2024, CEF administered nearly **\$1,000,000** in 21st Century Learning Center afterschool programs for the following schools:

- Bensley Elementary School
- Chalkley Elementary School
- Falling Creek Middle School
- Providence Middle School

CEF continues to serve as a partner to CCPS as the division continues these programs this year.

We are grateful for all who have helped to make our mission possible and have taken care to ensure the accuracy of this list of donors for fiscal year 2024. However, should there be an omission or error, we express our sincere regret and ask that you let us know by calling (804) 639-8772.

FINANCIALS

July 1, 2023-June 30, 2024

In 2024 we bade farewell to CCPS Superintendent Dr. Merv Daugherty as he retired after an incredibly impactful career in education. As superintendent, Dr. Daugherty worked diligently to help students grow their home libraries, and was the driving force behind the book machines we now have in over 40 schools. Dr. Daugherty's June 2024 launch party into retirement reflected his love of books and commitment to helping all children succeed. In partnership with Chesterfield County Public Schools, the funds raised at Dr. D's Retirement Book Bash supported CEF's literacy initiative, connecting students with new books to read and to keep. CEF is committed to keeping his legacy going with the addition of two new book machines at CCPS middle schools in 2025, as well as other literacy programs including El Librotazo and in-school book rallies, and more - and thanks to this event we raised over \$30,000 that goes right back into schools.

At the Book Bash we also announced the new Dr. Merv Daugherty scholarship for graduating seniors. Famous for his motto "All means ALL", this scholarship is county-wide and open to any senior who has demonstrated great character and a heart for service.

We are so grateful for the privilege of working with Dr. Daugherty, who even in retirement continues to reach thousands of young readers. Thank you to all of the donors, sponsors, volunteers, and staff who made the Book Bash - and all of our work - possible. And thank you to Dr. Daugherty, the School Board, and all of CCPS for reminding us that everything we do is for the kids.

BECOME A CEP CHAMPION!

There are many ways to join in advancing our mission. This year we invite you to become a member of one of our giving circles.

-  CHESTERFIELD CIRCLE – UP TO \$99
-  DIRECTOR'S CIRCLE - \$100 - \$499
-  SUPERINTENDENT'S CIRCLE - \$500 - \$999
-  FOUNDER'S CIRCLE - \$1,000 - \$4,999
-  HERITAGE CIRCLE - \$5,000 - \$9,999
-  LEGACY CIRCLE - \$10,000 AND UP
-  **1989 PLANNED GIVING CIRCLE**
This circle includes donors that have chosen to create a charitable legacy through a planned or estate gift with CEP.

Other ways to be a Champion....

Committee Member – If you have experience or interest in development, finance, or program facilitation, we invite you to make a meaningful impact by joining one of our committees! Your expertise can help shape the future of education in our community. Reach out today to get involved!

Volunteer – Would you like to make a difference? We're looking for volunteers to help at our events throughout the year and assist in the office as needed. Join us in supporting our mission—your time and talents can have a big impact!

TOGETHER, WE CAN ACHIEVE GREAT THINGS AND MAKE A MEANINGFUL DIFFERENCE IN THE LIVES OF MORE THAN 64,000 CCPS STUDENTS.
